

Mayor Matthew A. Pacifico

Monthly Update - January 2019

Happy New Year!

A new year brings with it promise for new opportunities for our great City!

Thank you to all who helped to make this past year a success!

I look forward to the great work we will accomplish in 2019.

New DUI Law Now in Effect

New penalties are now in effect in Pennsylvania for habitually violating the DUI law.

Under the new law, any individual convicted of their third DUI with a blood-alcohol content of 0.16 or higher, could be found guilty of a felony offense. The same penalty would apply to all convicted of four or more DUI offenses.
